Charlotte, NC 28210

Phone: (704) 688-2939/Fax :(704) 688-2962

Kennedy Charter Public School is proud to announce that for the 2009-2010 school year we will add Kindergarten and First grade to our student body. Kennedy Charter currently serves grades 6th through 12th in a positive and productive environment. We will open our doors to Kindergarten and First graders August of 2009, adding an additional grade level each year. The Francis Elementary will have a teacher student ratio of 1:15 and will continue to provide a “whole” child school environment.

The Kennedy Charter Public School’s mission is to provide a program that meets the needs of students who benefit from a nontraditional educational environment. Kennedy Charter seeks to connect with the at-risk student mindset through meaningful academics, building relationships, and by expanding our student’s knowledge of the world, themselves, and the other students around them. Kennedy Charter strives to provide quality instruction by focusing on the whole child and using strategic interventions and innovative, hands-on instruction tailored to meet the unique educational needs of our students. We will provide an educational option connecting youth to real world experiences, which inspires hope and promotes personal growth and success.

The elementary will be rooted in the Families And Schools Together (FAST) Program. The FAST program promotes success in children and builds leadership and confidence, while addressing risk factors that cause underachievement. The FAST program will connect parents and children to their school and to their community. In this way we prevent unhealthy behaviors and help parents instill values in their kids that lead to

personal success. Kennedy charter takes great pride in connecting with our students and providing an atmosphere of support and encouragement that pushes students to reach their goals.

If you are interested in more information about our new Elementary program or Kennedy Charter in general please call the school at (704)688-2939. We look forward to working with you and your child in the upcoming school year.

Sincerely,

Stacey Rose
Principal
